

न हि ज्ञानेन सदृशं पवित्रमिह विद्यते ॥

“Nothing is as pure and divine as knowledge.”

True and sacred knowledge purifies the soul. It nurtures the mind and encourages the person to venture into new arena.

It is this divine meaning of the quotation that has inspired the school's motto

“ न हि ज्ञानेन सदृशं भवति ” and **“Lead kindly light”** which spreads the radiance of this light of pure knowledge to places unlimited by the boundaries of the school. The school not only believes in imparting true knowledge and education, but also ensures that the learner uses this knowledge to relate to the other areas of learning.
